Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner called the applicant's attorney to request cancellation of non-elected claims 8-13. First, the examiner indicated that claim 1 was allowable and generic, and therefore claims 6 and 7, directed to species of claim 1, would be rejoined upon allowance of claim 1. However, claims 8-13, directed to a non-elected invention, needed to be canceled to place the application in condition for allowance. The examiner and applicant's attorney agreed to the cancellation of non-elected claims 8-13 without prejudice, and the applicant's attorney authorized the examiner to proceed with the cancellation via Examiner's Amendment. .
